

MARRIAGE FOR WESTERLY ELOPERS

Tony De Sista Finds Court Lenient But Expensive When Case is Discontinued—Probate Court Business—Meeting of W. C. T. U.—Ten Per Cent. Dividend for Creditors of Kenyon Mill Company.

The first session of the court of probate for the new year was held Tuesday afternoon, with Judge Edward M. Burke presiding. As usual, court was opened at exactly two o'clock. The judge is noted for punctuality, which means on time, and not a minute before or after the appointed time. Mary E. Bacon, the sole executrix surviving of the estate of Nelson Brown, desiring to transfer the personal property in the custody of the Washington Trust company to Providence, where she now resides, filed receipt from herself as an individual to herself as executrix for the sum of \$1,846. The receipt was received and entered of record with the estate of Nelson Brown.

In the estate of Elizabeth Perry Foster, a son of testatrix, William W. Foster assigned his interest in the personal property and money of the estate to the Washington Trust company, in payment of notes endorsed by Elizabeth Foster. He asked that the Washington Trust company be his attorney in fact to recover whatever money was due him from the estate. Approved and ordered recorded.

The inventory of the estate of Lucy E. Moss, showing valuation of \$14,000, was received and ordered recorded.

The will of Joseph Pupero was received for probate. All his property was and is left to his widow, Antea Costanzo Pupero. The matter was continued to a special session of the court to be held this (Wednesday) morning.

Anty Drudge for President.

Miss Ballot—"When women have secured the vote, whom will we nominate for president?"

Mrs. Panhurst—"A woman who has devoted her life to the uplift of her sex, who has struck off her chains and made her free."

Miss Ballot—"Why, that will be Anty Drudge! Before she taught me to use Fels-Naptha soap, I never got the clothes clean and white by boiling and rubbing. Now, I wash the things with Fels-Naptha soap in cool or lukewarm water and washing is almost a pleasure."

Anty Drudge—"Thanks, but I'd rather be plain Anty Drudge than president. I can do more good for tired out women."

Every Monday morning more than a million women—the most thrifty housewives in America—go at their week's wash armed with Fels-Naptha.

Instead of boiling the clothes and then standing over steaming tubs rubbing hard to get the dirt out, they simply soap the clothes thoroughly with Fels-Naptha in cool or lukewarm (never hot) water; roll them, and let them soak for thirty minutes; rinse thoroughly.

By Monday noon these more than a million women can sit at their second-story back windows and look with pride at their week's wash, as it flaps snow white in the breeze.

It's done! And the clothes are cleaner, sweeter, purer than you could possibly get them with the old-fashioned boil-and-rub-hard method.

Fels-Naptha does more than save you time and energy. It saves your clothes—makes them wear longer.

Use Fels-Naptha the Fels-Naptha way. Follow the directions on the red and green wrapper.

It's fine, too, for removing spots and stains from paint, carpets and other things.

The new tug Westerly, which has been in course of construction, can arrive in the Pawcatuck river none too soon. Stockholders in the Ashaway and Westerly street railway company requested the regular five per cent. dividend Tuesday. This dividend is guaranteed for twenty years; at the end of that period the Norwich & Westerly Traction company, the present operator of the road, is privileged to take over the property by paying a bonus of \$5 on each share of stock.

The car of the Norwich & Westerly Traction company, due to arrive in Westerly at 10.40, from Ashaway, jumped the switch at the freight house in Railroad avenue, Tuesday morning.
